

FINANCIAL SERVICES

Alpha Trading Systems Connectivity

Reliable, Flexible, and Advanced Trading Technologies

Financial customers require low latency connectivity to their sources. Receiving market data before the competition ensures customers get market information faster and execute their trades quickly. Savvis and Alpha Trading Systems (Alpha) have come together to deliver an end-to-end cost-effective solution for clients to receive Alpha connectivity. The Savvis and Alpha Trading Systems collaboration provides simple cost-effective connectivity with low latency.

Alpha Trading Systems

- Alpha Level 1 (AL1)
- Alpha Level 2 (AL2)
- Alpha Market by Price (MBP)
- Alpha Broadcast Feed (ABF)

Savvis Connectivity to the Alpha Trading Systems

Savvis Private XChange (PX) is a global extranet solution designed to deliver secure, highly available, guaranteed site-to-site transport of external applications for financial market data providers.

Superior Market Data Delivery

Savvis has more than a decade of experience successfully supporting real-time financial applications and market data. You can count on Savvis' high-performance global network, global data centers, and award-winning service model for low latency delivery of Alpha data.

Savvis — The Standard for All Exchange Feeds

The same Savvis solution you use for Alpha data can be extended to receive data feeds from many of the world's top exchanges and liquidity pools. For example, you can add feeds from NYSE EuronextSM, NASDAQ OMX Group and many more.

Alpha Trading Systems (Alpha) via Savvis

- Low latency connectivity delivered by Savvis Private XChange service
- Global connectivity providing converged access to Savvis' entire portfolio of financial exchanges

About Alpha Trading Systems

Alpha was established in May, 2007 by nine of Canada's leading financial institutions with the aim of increasing the country's equity trading efficiencies and making the Canadian marketplace more globally competitive. Its ownership group consists of BMO Capital Markets, Canaccord Capital Corporation, CIBC World Markets, CPP Investment Board, Desjardins Securities Inc., National Bank Financial, RBC Capital Markets, Scotia Capital Inc. and TD Securities Inc.
